

Odor EnderE

AN **END** TO ODOR, AN **END** TO STAINS

NON-STAINING FLUID
TO CONTROL &
ELIMINATE ODORS ON
ALL APPLICATIONS

PPS OdorEnderE is a proprietary liquid formulated to eliminate and control odors in virtually any environment. It is safe for use in both commercial and residential applications.

This water base product works by neutralizing odor molecules without using masking agents and leaves behind no objectionable fragrance.

PPS OdorEnderE is a non-staining solution, containing enzymes for effective removal of protein based odors, and can be applied by—

Area spraying for use as an air freshener—
Adding to carpet cleaners as well as to wall
and floor cleaners—

Direct spraying on the odor generating sur-
faces
